Re: Ramirez Lopez v. Trump, et al., No. 1:25-cv-4826 (JAV)

Dear Judge Vargas:

Petitioner's counsel submits this letter motion regarding correction of document deficiency with respect to document number 4 (Petition for Writ of Habeas Corpus). The signature line is incomplete, in that it indicates "/s/" above our office signature block, and does not indicate "/s/ Melissa Banks, mb2891". We respectfully ask for waiver of correction of this deficiency.

Respondents' counsel Mr. Sun has no objection to the within request.

Sincerely,

Melissa Banks
Counsel for Petitioner Candida Ramirez Lopez

CC: Anthony Sun, Esq. (Via ECF)
